Thanks for letting us know what “may” be filed with the court. We will take your suggestion with the seriousness it deserves.

Subject: Redacted Transcripts

Jon – below is a link to the redacted transcripts of all of the company witnesses. Please note that these are visible redactions that should not be filed. This is so that you can see the information redacted. We will send actual redactions separately that you may use when you file your response to the summary judgment motion.

You have indicated that despite our providing the redacted transcripts, you still intend to publicly file the information designated as confidential by Lampo. Thus, we are filing a Motion for Resolution of Dispute Under the Agreed Confidentiality Order (“Motion”) today. Per the Agreed Confidentiality Order, you may not publicly file the disputed information while the Motion is pending with the Court. Of course, if you file the redacted information and comply with Local Rule 5.03, the Motion will be moot.

If you have trouble accessing the visible redactions via this link, please let me know. We’ll send another link with the redactions blacked out. Thanks.
